29.1.01

In continuation of my letter
No. dated 23rd instant anent the filling up
of the post of Nazim at the Gambaz
in Gajanur which has become
vacant by the death of Baker Hasan
I have the honor to state that after
considering the application of many
Candidates and their qualifications,
I am inclined to think that Abdul
Khalik is the best suited for the
post. He is said to be a good
Persian Scholar and belongs to a

respectable Mysore family, being connected with the late Tippoo Sultan. As a member of it, I am sure he will take an active interest in the management of this most important Mahomedan institution in Mysore, and set right any irregularity that may have crept in. If you approve, I intend giving him the vacant post at once, as a temporary measure, subject to confirmation, after six months probationary period and approved service.

I believe, he understands a little English, tho' not able to make himself understood in that language. In fact he

does not pretend to know it, and
my opinion a knowledge of
English does not appear to be in
dispensable for the post. Earliest
opportunity will be taken to provide
for the son of the late Baker Hasain
in the same institution, with a
post of 10 or 15 Rs. a month

Early orders are solicited.

I have the honor to be
Sir
Your most obedient servant
[signature]
Deputy Commissioner
Mysore District.
